Dear Valued Community Member:

Hundreds of youth benefit each year from participating in the Vista Youth Basketball program. This program continues to be successful through sponsorships from generous community members and businesses like you who value the positive impact it brings to their community.

Children who participate in sports and recreation become adults with greater confidence and a sense of teamwork. Organized sports provide opportunities for youth to build positive self-esteem while developing a lifestyle for health and wellness. Please take a moment to make a positive difference in a child's life.

Support local youth and receive community recognition by becoming a sponsor.
