

Volunteer Driver Application Packet

Thank you for considering *Out and About* Senior Transportation for your volunteer services! Our volunteers offer their time by driving eligible seniors over the age of 60 to various appointments and errands, helping to keep them independent and in their homes longer. Our program is a great way to give back to your community without being tied down. Volunteers can donate as little as two hours per week or as many as they want and can flex from week to week – your schedule is completely up to you!

Our Program offers flexibility to accommodate your schedule!!

At *Out & About* we recognize that the price of gas is at an all time high. As a small token of appreciation and to help offset the cost for gas, the City of Vista offers mileage reimbursement to our volunteers. That means for every mile you drive a registered *Out & About* rider, you will be reimbursed 0.55 cents!

If this volunteer opportunity seems like a fit for you, give our office a call today at 760-39-6161. We'll be glad to answer any questions you might have. Or, if you know this is something you would like to do, fill out the attached application and include copies of the following documents:

- ✓ Drivers license
- ✓ Automobile insurance
- ✓ Automobile registration

Out & About thanks you for your interest in our program and your willingness to share your time and skills...every ride that you provide makes a difference for a someone in our community.

Sincerely,

Amy Eustace
