WEST SIDE STORY Dances onto the Moonlight Stage as part of Season 39 at the Moonlight Amphitheatre August 14 - 31, 2019

Vista, CA (March 7, 2019) – The Sharks and the Jets rumble once again as Moonlight Stage Productions presents the triumphant musical classic "West Side Story" at the Moonlight Amphitheatre, August 14 – 31 at 8 p.m. This epic musical that changed Broadway forever when it made its Broadway debut in 1957 is still relevant today and maintains its place as an audience favorite. The creative team of Jerome Robbins, Leonard Bernstein, Stephen Sondheim, and Arthur Laurents placed Shakespeare's "Romeo and Juliet" on the gritty backstreets of New York City's west side in the 50s where Tony and Maria seek a "somewhere" where their romance can survive in the midst of warring gangs and deep prejudice. Tony and Maria's star-crossed songs enrich every scene, from the romance of "Maria" and "Tonight," the exuberance of "America," to the humor of "Gee, Officer Krupke." Jerome Robbins' legendary choreography will be re-created in this production by choreographer Hector Guerrero.

Experience "West Side Story" in the picturesque 2,000-person capacity Moonlight Amphitheatre where audiences enjoy more than just a show, they experience a beautiful outdoor ambiance complete with pre-show dining or picnicking. Tickets, ranging in price $22 - $57, can be purchased online at moonlightstage.com, by phone at (760) 724-2110, or in-person at the Amphitheatre's box office on the night of show. Discounts are available for seniors, students, military, and groups of 20 or more.
