8	Can I talk to my child while at camp?	You are always welcome to speak with your child during the program. Simply call the office. Please note that on occasion this may not be possible due to camp location (i.e. a hike in the park or field trip).
9	Does my child need to bring a lunch or snack?	The Day Camp Program provides a healthy snack twice daily, morning and afternoon. Lunch is provided to all campers through a grant program with U.S.D.A. If you choose not to have the provided lunch, your child will need to bring a sack lunch and drink on a daily basis.
10	Does my child have to eat the snack/lunch provided by the program?	No child is forced to eat anything he/she does not want; we do <i>not</i> offer alternatives to those items being served. In this case, it is recommended to bring a snack or lunch.
11	My child has food or other allergies.	We are very sensitive to the needs of these children and will make reasonable accommodations for such individuals. Please identify the specific allergies on your child's registration form, so that we can take the necessary precautions.
12	Should my child bring a backpack?	From time to time, it will be necessary to have an extra change of clothes (water activities, etc) therefore it would be advantageous to bring one at your discretion.
13	Where will the backpacks be stored?	Backpacks will be placed in a large bin labeled with the camp name.
14	Can my child bring toys or electronic games to camp?	Bringing such items to the program is NOT permitted. <i>Use of cell phones is strongly discouraged.</i> Too often these items will get lost, stolen or damaged and the City of Vista will not assume any responsibility for the items' care or proper storage.

15	My child lost something, where do I find it?	The Day Camp Program maintains a regular lost and found throughout the entire summer. If you are missing something, please contact a staff member and they will guide you to the proper storage location.
16	What procedure do you follow to pick up a child?	As a security precaution, all individuals picking up campers will be required to show ID. This will then be checked against the child's registration form.
17	Why do I have to keep showing my ID to pick up my child?	Please understand that we have over 100 campers everyday and we cannot be expected to know every person that picks up a child. As a result we ask for your continued cooperation in maintaining the safety and security of your child.
18	What if someone else needs to pick up my child?	If someone other than who is listed on the registration form needs to pick up your child, you must submit a note to the office. All notes are subject to verification. If a last minute change is necessary, a password will be required for phone-in authorization. There is a designated place on your registration form for this.
