This covers time, labor and materials. Please note that the City of Vista will not provide paint or materials.

BACKGROUND

The Vista In Bloom project is a public art program intended to transform city-owned traffic signal boxes into distinctive works of art, creating a more vibrant, attractive cityscape. This program is under the direction of City Council, and is facilitated by the Public Arts Commission and city staff. The program celebrates local artwork, deters graffiti, and involves residents in contributing to the beautification of the city.

The Public Arts Commission will select artwork for existing traffic signal boxes throughout the city. The original artwork can be designed/created in any 2D medium.

ELIGIBILITY

1. All artists residing, working or attending classes in Vista or San Diego County are eligible.
2. Residents, students and those working in Vista will receive preferential consideration.
3. Artwork must be the original design of the entrant and suitable for viewing by all ages.

ARTIST STIPEND

Artists will be awarded a \$100 stipend per box. This is inclusive of all artist fees, supplies and time spent. Upon selection of the design and execution of the Artist Agreement, artists will be mailed an initial disbursement of \$50. The remaining \$50 is paid and mailed upon completion of the project. Processing of checks can take at least two weeks, possibly longer.
