\*Effective January 1, 2018, AB-1379 requires the City to collect an additional \$4 state fee from any applicant for a local business license or similar instrument or permit, or renewal thereof. The purpose is to increase disability access and compliance with construction-related accessibility requirements and to develop educational resources for businesses in order to facilitate compliance with federal and state disability laws.

### Gross Receipts:

Gross receipts are the total amount received by your company for the business in Vista before deducting any expenses or payments you make. The definition of gross receipts is printed below. Failure to report the correct gross receipts for the business is a violation of the City Municipal Code.

Special gross receipts definitions apply to contractors working inside the City, research & development businesses and businesses which have only a portion of the business located in the City limits. Please contact 760-639-6174 if your business falls into one of these categories, so we can assist you in computing the gross receipts.

Vista Municipal Code 5.04.020 Definitions, Gross Receipts: Gross Receipts means the total of amounts actually received or receivable from sales and the total amounts actually received or receivable for the performance of any act or service, or whichever nature it may be, for which a charge is made or credit allowed, whether or not such act or service is done as a part of or in connection with the sale of materials, goods, wares or merchandise.

Included in gross receipts are all receipts, cash, credits and property of any kind or nature, without any deduction therefrom on account of the cost of the property sold, the cost of materials used, labor or service costs, interest paid or payable, or losses or other expenses whatsoever.

Excluded from "gross receipts" are the following:

1. Cash discounts allowed and taken on sales.
2. Credit allowed on property accepted as part of the purchase price and which may later be sold.
3. Any tax required by law to be included in or added to the purchase price and collected from the consumer or purchaser.
4. Such part of the sale price of property returned by purchasers upon rescission of the contract of sale as is refunded either in cash or by credit.
5. Amounts collected for others where the business is acting as an agent or trustee to the extent that such amounts are paid to those for whom collected, provided the agent or trustee furnishes the collector, upon request, with the names and addresses of such others and the amount paid to them.
6. Receipts of refundable deposits, except that refundable deposits forfeited and taken into income of the business shall not be excluded.
7. As to a real estate or other agent or broker, the sales price of real estate or other property sold for the account of others, except that portion which represents commission or other income to the agent or broker.
8. As to a retail gasoline dealer, a portion of his receipts from the sale of motor vehicle fuels equal to the motor vehicle fuel license tax imposed and previously paid under the provisions of Part 2 of Division 2 of the Revenue and Taxation Code of the State of California.
9. Reimbursement for advances previously made on behalf of the payer.
10. As to a retail gasoline dealer, the special motor fuel tax imposed by Section 4041 of Title 26 of the United States Code if paid by the dealer or collected by him from the consumer or purchaser.

Additional documentation may be required if one of the exclusions applies to your business.

### Downtown Business Improvement District (BID Fee Calculation)

This fee is only charged to businesses located in the downtown area. If your business is located downtown or if you are not sure if this applies, call the business license office 760-639-6174 for the amount due.
