    - full trees
    - no vendor
    - yes no vendor
- Option C: 14 votes
  - Comments:
    - Big trees
    - Rustic
    - Big trees
    - Is the stage area large enough to create a “bandstand” look?
    - Encourage pedicab businesses to carry people from remote lots to downtown
    - Yes please [encourage pedicab businesses]
    - No vendor
    - Dark sky compliant lighting
    - Better sight lines for stage – trees
    - Rectangular stage
    - Larger grass area
  - General Comments
    - Trees spaced out surrounding entirety of turf
    - No vendor
    - I feel like losing only 5 spaces total is worth opening up the central public space
    - I like the stage
    - Dog watering station
    - Agua Fresca vendor/ eloteria
    - Budget for programming to help spur positive activation of space which is the goal – CVBID monies?
