

ADDENDUM 1
TO
REQUEST FOR PROPOSALS (RFP)
FOR
PUMP STATION SELF OPERATION FEASIBILITY STUDY

MARCH 26, 2019

Note: All proposers must acknowledge receipt of Addendum No. 1 in the cover letter of the proposal.

1. Attached is a copy of the sign-in sheet from the pre-proposal meeting.
2. Besides cost, what are the other drivers for this study?
 - a. A potential private development will require a sewer pump station and it is not feasible for Encina Wastewater Authority to maintain the proposed station on the northern boundary of the City.
3. What Operator Certifications are required to operate the pump station?
 - a. The study should provide the City with guidance on the proper level of Operator Certifications.
