I, _____, agree and understand that any work that I may perform on behalf of the Recreation and Community Services Department will be provided on a voluntary basis, and that I do not expect payment or other compensation for performing such work. I am aware that the City liability insurance includes coverage for injuries occurring to me while volunteering for the City of Vista. I have been advised that this insurance is in excess of any other medical insurance I may have. I further understand and agree that a volunteer position does not constitute an employee-employer relationship with the City of Vista, and that the City may terminate my volunteer status at any time without cause, advance notice, or right of appeal. If an injury is sustained while volunteering, it should be reported to the supervisor immediately so that an injury report can be completed.
