Vista's Senior Services

The Gloria McClellan Center offers a variety of services for Vista residents age 60+. The Center promotes the physical, emotional, and social well-being of seniors and involves them in all aspects of community life.

Our programs include: **Culture Caravan**, Vista's popular senior trip program; **Out & About** Vista's transportation program, weekday lunch, classes, clubs, and much more.

The gift of longer life means more time to travel, time to learn new skills, or even the opportunity to look into new careers or to give back to the community. Whether you need to access information, locate services, need transportation, would love a great meal, or would like to volunteer, the Center can help.

The City of Vista prohibits discrimination in its programs on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or family status.
